“All students can learn and succeed, but not on the same day in the same way.”

William D Spady

Education is the foundation upon which the future is built. In a world of changing needs, different learning styles, unique potential and challenging dynamics – the opportunity to choose an education suited to the needs of the child and family is critical.

The Montessori School of Lake Forest, like many other independent, private and public schools, is an essential piece in the fabric of today’s educational system. Every child deserves access to the best education available to them, to fit their needs and unique learning style. At MSLF, our mission is to instill in every Montessori child a lifelong love of learning, and to ensure that this opportunity is available to every child and family who seeks it.

MSLF’s annual Hope & Promise evening is the school’s largest fundraiser. Money raised through this event supports the ongoing maintenance and growth of this essential educational option, enables continued enhancements to the academic and specialty programs built over 50 years in the community, and supports a Financial Aid program that ensures MSLF remains an accessible option to all.

Please consider donating, and showcasing your business at our event on April 13, through a sponsorship or advertising in our program. All donors will be recognized in our Annual Report, and Event Program shared with all attendees, parents, alumni and friends of MSLF. Forms are attached, or please email directly to Kathleen Marino at kathleen@mslf.org.

As one of the premier Montessori schools in the nation and with a long-standing history of 50 years in the Lake Forest community, the Montessori School of Lake Forest (MSLF) offers exceptional learning programs for children ages birth to 12 years. Program options range from half-day to full-day and year-round academic offerings. **A new 3 – day Toddler Program will also welcome it’s first students in April.** The school is home to a diverse student body, encompassing eight countries and more than 30 communities in the Chicagoland area.

We appreciate any support you can give. Donations are tax deductible. The Montessori School of Lake Forest is a 501(c)3 organization, FEIN 36-2601978.
